IN THE DRAWINGS:

Please substitute the attached Replacement Sheet(s) for the drawing sheet(s) in this Application.

REMARKS

Favorable consideration of this application is requested in view of the foregoing amendments and the following remarks. Claims 8-16 are pending in the application. Claims 1-7 are canceled without prejudice or disclaimer.

At pages 2-3 of the Action, dated September 26, 2005, the Examiner discusses a restriction requirement. Applicant hereby elects Group II, claims 8-16, with traverse. The traversal is based on the fact that examination of all the claims would not be a burden on the Office despite their possible disparate classification(s). Nevertheless, as noted above, claims 1-7 have been cancelled without prejudice or disclaimer.

Applicant is investigating inventorship to determine whether such should be amended in light of the cancelled claims. A timely Petition to change inventorship will be made if it is determined necessary.

At page 1, item 10 of the Action, the drawings are objected to. Applicant(s) submit(s) herewith, for which the approval of the examiner and/or the official draftsman is requested, one copy of sixteen (16) sheets of formal drawings.

Accordingly, withdrawal of this objection is requested.

Other than as explicitly set forth above, this reply does not include acquiescence to statements in the Office Action. In view of the above, all the claims are considered patentable and allowance of all the claims is respectfully requested. The Examiner is invited to telephone the undersigned (at direct line 512-394-0118) for prompt action in the event any issues remain that prevent the allowance of any pending claims.

No fee is due for filing this Reply because it is being filed with the shortened statutory period for response as set in the Office Action dated September 26, 2005.

The Director of the U.S. Patent and Trademark Office is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-3204 of John Bruckner PC.

Respectfully submitted,

John Bruckner PC
